

Teacher Names:

Student-centered learning goal(s):

What will your students be able to do at the end of your lesson?

Learning activities:

List step-by-step in great detail. Hint - write this so someone else could use your plan to teach this lesson.

Teacher feedback or assessment activities:

How will you know your students can complete your learning goal(s)?

What special arrangements or concerns will you keep in mind to account for individual learning differences or situational factors in your lesson?
